Book Launching Program

The very first publication of BAP “Case Based Learning Exercise in Psychiatry” was launched on 10th October 2021 on the occasion of World Mental Health Day.

World Suicide Prevention Day 2021

World Suicide Prevention Day 2021 “Creating Hope Through Action” was supported in NIMH on 11 September 2021 with eminent psychiatrists in the country and high officials of the Bangladesh government.

On this special occasion, The National Survey Report on Suicide and Risk of Suicide among the Youths of Bangladesh was disseminated.

Post Graduate Reception Program 2019-21

A special reception program for the young, promising and talented psychiatrists who completed their post-graduation in psychiatry was arranged by BAP.

The poster features a background of light-colored, textured paper with faint, golden-brown floral patterns. The text is arranged in a clean, professional layout. The title is in a mix of purple and black, while the event details are in black. The logos are positioned at the bottom corners.
